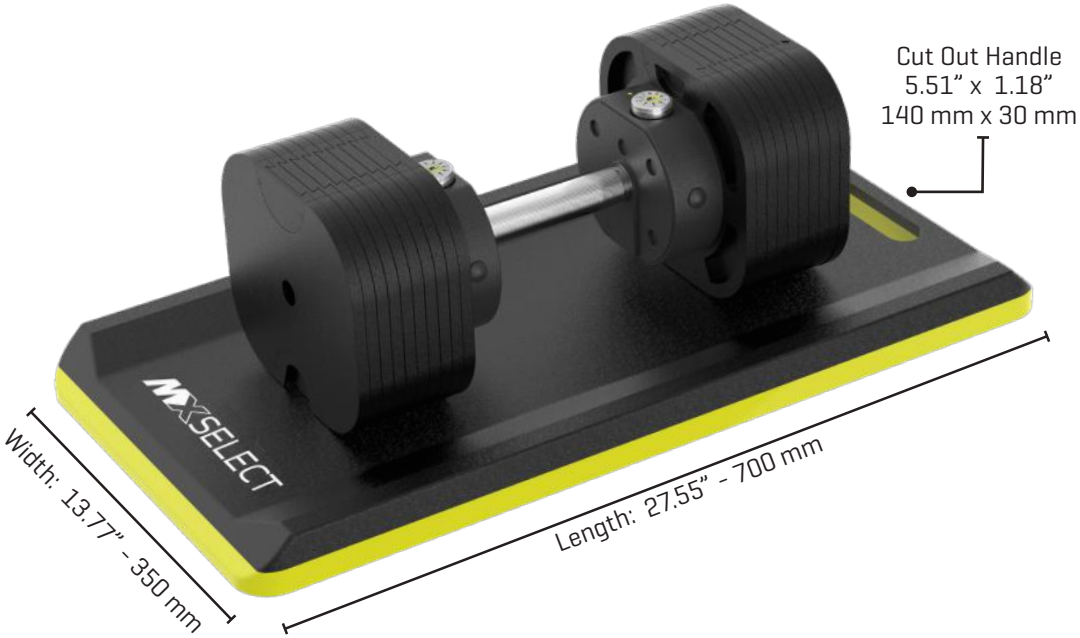
MX PADS DUMBBELL IMPACT PADS

Includes 2 x Pads

MXP - MX Dumbbell Impact Pads offer impact absorption, noise reduction and protect floors from damage if dumbbells are accidently dropped.

MX Impact Pads are essential for minimizing the impact of dropped dumbbells. Made from high-desity EVA foam, they effectively absorb and reduce the force of impact, preventing damage to floors and helping to extend the life of your dumbbells.

Intended to contain accidental dumbbell drops from low height, **MX Impact Pads** are designed and shaped to keep the dumbbell within the surface area of the pad. Save your floors and protect your MX Dumbbells with this useful product.



Optional Accessories:

MX55 - 55 lb / 24.9 kg - Rapid Change Dumbbell Sets 10 Levels.
